

Highgate

Folding Arm Awnings

The Highgate Folding Arm Awning is the perfect option to enhance your outside living area when budget needs to be considered, without compromising on style. When not in use, the awning can retract back into the roller and out of the way. Our folding arm awnings are fully installed by our qualified tradespeople, and can be fully motorised. Perfect for outdoor use in pool, entertaining, alfresco and patio areas.

Available in a range of standard fixed widths and projections, all with crank operated pitch adjustment, to allow you to change the angle of your Highgate Folding Arm Awning to achieve more shade, as required.

Technical

- Sizes available: Width options are only: 3550, 4700 or 5800mm
