Custom Made-To-Measure Curtains

Add the feel of luxury or a contemporary edge to your décor styling with the addition of curtains to your window treatment from our Trendz range. Our Trendz range offers a stunning selection of sheers for a sleek and stylish effect that will transform any room, as well as diffusing natural light and maintaining privacy. Layer a beautiful sheer over your room-darkening blind for a truly sophisticated design.

Our extensive range of blackout and triple weave fabrics will not only block out light but also provide noise reduction and insulation properties. Pair sheers with blackout on double brackets for the ultimate in contemporary window furnishings.
