## Timber Venetian Blind

Discover the four collections within the Ambience range of Venetian-PureWood Timber Venetian Blinds. Made from Basswood—a tree grown in North America and Europe—it is a sustainably grown timber option and is not listed on the IUCN Red List of Threatened Species.

*Pastel* - A modern collection of stylish matte wood varieties in delicate pastel colours for a neutral colour palette. The wooden slats have been painted with a matte chalk finish, and powdery colours to create a minimalist look to your interior.

*Shadow* - Matte wood varieties in neutral and darker fashionable tones for a strong, modern and contemporary look.

*Glossy* - High gloss wood in three classic colours, Black, White and Ivory for a sleek, modern luxurious look. The high gloss transforms the PureWood Timber Venetian into an eye catcher, completing the look of any room.

*Urban* - A natural timber pattern, available in a selection of modern, contemporary wood tones. A classic look with a modern twist while bringing warmth and ambience to the home.
